Virtual Awards Ceremony | Friday, November 20, 2020

Renamed CHAMPS Presidential Award

We honored John Mengenhause for dedicating his career to the health center movement with the Stanley J. Brasher Legacy Award, and now have the great pleasure of recognizing John's service and leadership with a newly renamed award in his honor.

Many of you may not know that John was the founding President of CHAMPS thirty-five years ago, and that he has been a loyal and dedicated advocate for CHAMPS ever since. He has served on the CHAMPS Executive Committee for many years including as Vice President for six years, as President for six years, and as Immediate Past President for five years.

In recognition of John's dedication to guiding CHAMPS and ensuring we are able to successfully meet the needs of Region VIII health centers since co-founding CHAMPS and establishing its mission and foundation as its first President 35 years ago, the CHAMPS Executive Committee has hereby renamed the CHAMPS Presidential Award the CHAMPS John Mengenhause Presidential Award.

Thank you again, John, for your steadfast service and commitment to CHAMPS and Region VIII Community Health Centers.
