- Additional [Clinical Resources](#) including provider training resources, clinical products, and provider and patient reference materials
- Additional [Quality Improvement Resources](#) including QI, PCMH, SDOH, and HIT
- Additional [Cross-Disciplinary Resources](#) addressing special populations, cultural competency, emergency preparedness, needs assessments, outreach, and more

CHAMPS' WORKFORCE DEVELOPMENT INITIATIVES

Trends and Statistics

Increasing awareness of workforce trends to guide recruitment and retention (R&R) policies:

- Targeted [Region VIII CHC Staff Recruitment and Retention Surveys](#) identifying ways to attract and keep talented professionals
- Biennial assessment of salary, benefits, turnover, and vacancy statistics via the [Region VIII Health Center Salary Survey Report](#)
- Two salary survey companion reports with additional workforce-related metrics: [Region VIII Health Center Clinical Staffing Report](#) and [Region VIII Health Center Provider Productivity Expectations Report](#)
- Annual analysis of recruitment efforts and fill rates via the [Region VIII Job Opportunities Bank \(JOB\) Data Comparison Report](#)
- Annual [Region VIII UDS Summary](#) including staffing, productivity, and tenure trends
- Links to [Other R&R Surveys and Data](#) relating to health and health centers

Peer Support

Encouraging successful careers by providing venues for discussion between colleagues:

- Networking with peers during **Roundtable Sessions** at the [Annual Primary Care Conference](#) for Boards of Directors, Chief Executive Officers, Chief Financial Officers, Chief Operating Officers, and Clinical, Human Resources/ Workforce, and other health center staff
- Region VIII CHC clinicians are part of the [Mountain/Plains Clinical Network \(MPCN\)](#) and communicate electronically via the [CHAMPS Clinicians Listserv](#)
- Ongoing support for PCA leadership, clinical, workforce, and other staff during regular [Region VIII PCA Networking Conference Calls](#)
- [Region VIII Health Center Directory](#), available in print and searchable online, providing information about all Region VIII CHC Executive Leadership Staff and Clinicians

Additional Services

Educating CHC staff about CHAMPS, MPCN, CHCs, PCAs, and other state, regional, and national resources, events, funding opportunities, federal policies, etc.:

- [Quarterly Newsletters](#) delivered electronically to CHC executive leadership and clinical staff, and other partners across the country
- [Welcome Program](#) for new CHC executive leadership and clinical staff
- Online [Links](#) to the websites of PCAs across the nation, National Cooperative Agreements (NCAs), and other organizations invested in community health
