IN PARTNERSHIP WITH

2017 NWRPCA/CHAMPS Fall Primary Care Conference

Northwest Regional Primary Care Association (NWRPCA) and Community Health Association of Mountain/Plains States (CHAMPS), in partnership with Western Clinicians Network (WCN), invite you to one of the nation's largest annual gatherings of primary care providers and community health administrators. Spend four days immersed in educational sessions, prominent keynote plenaries, and peer networking alongside representatives of more than 384 community health centers from 14 states.

Our priority remains to convene a conference that is timely, relevant, inspirational, and full of energy. This year, we look forward to our keynote speakers who will emphasize wellness and optimistic humor in all aspects of business and life. And we are thrilled that, in addition to our abundant education and networking opportunities, HRSA will be leading a two-day immersive track diving into the top three HRSA priorities as well as federal grant opportunities and grant writing skills and recommendations.

JOIN US IN SEATTLE as we celebrate 20 years of Region 18, the partnership of NWRPCA (Region 10) and CHAMPS (Region 8)! Partnership makes the impossible possible, and as we reflect on the incredible journey of community health in Region 18 and the strides we have made, we look forward to what is ahead as we continue *Together Toward Tomorrow*.
