

2021 HEALTH EQUITY LEARNING SERIES

www.CCHN.org

www.CHAMPSonline.org

The three-part CCHN/CHAMPS 2021 Health Equity Series builds on the foundation from last year's series and continues efforts in the journey towards a more equitable and just health system.

Participants will come away from the series with a greater understanding of organizational and personal position in health equity as well as tangible strategies and tools to assist moving forward.

Join for any one session or the whole series.
