

Brief Intervention and Brief Therapy: Enhancing Treatment with the Non-Dependent User

CHAMPS / CCGC / SBIRT-CO Webcast Series, Session #2

August 20, 2008

Presented by Anjali Nandi, MA, LAC, MAC, and

Tracey Ayers, LPC, CAC III

Evaluation & CME Questions

Name, credentials: _____

Title: _____

Organization: _____

Address/City/State: _____

E-mail Address: _____

Phone Number: _____

Please check all that apply:

_____ I am applying for Continuing Medical Education credit.*

_____ I would like to earn 1 ERS point through COPIC for attending all three events in this series.**

This contact information is **required** if you would like to receive a Certificate of Participation or CME Credit for this webcast, or if you would like to earn 1 ERS point through COPIC for attending the series.

**Fax your completed form to Andrea Martin at CHAMPS, (303) 861-5315.
Questions? Call (303) 861-5165 x285.**

Please complete the following evaluation questions (pages 1-4) so we can review our goals, objectives, and topics for future webcasts. If you complete the Evaluation Questions and provide your contact information, you will receive a **Certificate of Participation** for this event within six weeks.

*Participants interested in receiving Continuing Medical Education (CME) credit must also complete the CME questions following the evaluation questions (page 4). If you complete the CME questions and provide your contact information, you will receive a **Continuing Medical Education Certificate** for 1.5 credit hours within six weeks.

Colorado Participants: COPIC is awarding 1 **ERS point for their insureds who participate in all three SBIRT webcast presentations. You must complete the Evaluation and CME questions for all three events to qualify. These evaluation forms will be submitted to COPIC after you have completed the third event. Please visit www.championline.org/Events/Distance_Learning.asp for more information about the live events in this series, and for instructions for accessing the archived versions of these events.

- Strongly Agree
- Agree
- Neither Agree nor Disagree
- Disagree
- Strongly Disagree

12) The speaker fostered active participation in learning:

- Strongly Agree
- Agree
- Neither Agree nor Disagree
- Disagree
- Strongly Disagree

13) This webcast gave me practical tools I can use while working:

- Strongly Agree
- Agree
- Neither Agree nor Disagree
- Disagree
- Strongly Disagree

14) How likely are you to attend another CHAMPS webcast?

- Very Likely
- Likely
- Somewhat Likely
- Not Very Likely
- Not at All Likely

15) Briefly describe the best aspects of this webcast:

16) Please describe how this webcast could be improved:

17) List other training topics that would meet the needs of your job:

18) Other Comments:

Thank you for your responses. If you are not applying for CME credit or an ERS point, please fax these responses to Andrea Martin at CHAMPS, (303) 861-5315. Otherwise, continue to the CME Credit questions below.

CONTINUING MEDICAL EDUCATION (CME) CREDIT QUESTIONS

You must attend the entire webcast and complete the following post-test in order to qualify for CME credit. Failure to complete all CME questions will result in no CME credit awarded. Colorado participants wishing to earn one ERS point through COPIC must also complete the CME questions.

19) What are the components of a brief intervention or brief conversation?

- Screening
- Feedback
- Goal setting
- All of the above

20) The best way to enhance client motivation is for the practitioner to give advice and suggest helpful strategies.

- True
- False

21) Brief Therapy is less concerned with how a problem arose than with the current factors sustaining it and preventing change.

- True
- False

22) Care coordination is important, because:

- It can minimize adverse medication interactions for those prescribed psychotropic medications
- It provides follow-up for members with co-existing mental health and medical disorders
- It could reduce the risk of relapse with substance abusing patients
- All of the above

23) There is NOT an approved evaluation and management code to assist with reimbursement for the time spent with your patients around referrals to other providers.

- True
- False

Thank you for applying for Continuing Medical Education Credit. Please fax your responses to Andrea Martin at CHAMPS, (303) 861-5315.
