

## **2010 Immunization Update Teleconference: HPV, Pertussis, Influenza/H1N1 and More**

CHAMPS/CCHN/CCIC Teleconference  
Presented by Robert Brayden, MD  
August 3, 2010

### **Follow-up Information**

To access vaccine-preventable disease videos, visit

<http://www.vaccineinformation.org/video/>

OR visit [www.immunize.org](http://www.immunize.org) and look in the left-hand column under Materials.

To access influenza vaccine video clips, go to [www.youtube.com](http://www.youtube.com) and search for “flu stories, families fighting flu”.

For more information on Pneumococcus, do an Internet search for “Pneumococcus, eMedicine”. Here are some links CHAMPS found when searching that reference:
