

CHAMPS CORE Competencies for Health Center Supervisors and Managers Training

Five-Week Virtual Skill-Building Program

Weekly Zoom Sessions | Wednesdays | April-May 2022 | 9:00 - 11:30AM MT / 10:00AM - 12:30PM CT

Facilitated by Lisa Mouscher, Sogence Training and Consulting

Course Overview:

Managers and supervisors play a pivotal role in the success of health centers, yet many are hired or promoted into their roles without the core skills to effectively hire, train, manage, engage, retain, and develop others. This course, **specifically designed for supervisors and managers at community, migrant, and homeless health centers**, offers intensive, hands-on, and immediately applicable skill-building to successfully navigate management and supervisory roles in the fast-paced and often challenging health center environment. Don't miss this opportunity to ensure you have the nuts-and-bolts knowledge, skills, and strategies to be successful in your management role.

Topics:

- The History, Mission, and Impact of the Health Center Movement
- The Art of Management Communication
- Strengthening Employee Engagement, Productivity, and Retention
- Behavioral Interviewing
- Staying Legally Compliant as a Manager/Supervisor
- Making Customer Service a Reality

Participants Will Learn To:

- Understand the unique characteristics, challenges, terminology, and support systems for health centers.
- Communicate for results, strengthen trust, and de-escalate conflict.
- Develop, coach, and retain satisfied, productive, and accountable teams.
- Strengthen employee engagement.
- Utilize Behavioral Interviewing to hire employees with the right skills and organizational fit for the long-term.
- Avoid common legal pitfalls when managing employees.
- Create and sustain a culture of customer service.
