

**Region VIII Health Center Program Grantees
(Community, Migrant, and Homeless Health Centers)
Recognized/Accredited as a Patient-Centered Medical Home (PCMH)**

CHAMPS is proud to recognize the Region VIII health centers listed below who have achieved PCMH recognition or accreditation. CHAMPS has compiled this listing to acknowledge and honor the diligent work of these health centers in becoming a PCMH. Any questions for the health centers listed below should be directed to the CHAMPS Clinical Quality Improvement Director and/or the applicable State Primary Care Association. Out of consideration for the health center staffs' valuable time in treating the underserved populations in Region VIII, please do not contact the health center directly.
