
Region VIII Health Care for the Homeless Collaborative

Typically held the third Wednesday in
February, May, August, and November.

This quarterly Zoom call invites Region VIII Health Care for the Homeless (HCH) Grantees, other interested health center staff, and key PCA contacts to facilitate discussion and regional collaboration on serving people experiencing homelessness.

This collaborative acts as a safe platform for attendees to share best practices, discuss challenges, hear from experts in their field, and identify desired training/technical assistance.

Recent topics include:

- Consumer Advisory Boards & Consumer Engagement
- National Health Care for the Homeless Council Updates & Opportunities
- Mindfulness During Challenging Times
- Motivational Interviewing
- National Priorities, Projects, & Strategies
- Supportive Housing
