

Resources for CHCs re: using and reporting on Provider Relief Funds

As of July 23, 2021

As CHCs prepare to report by September 30, 2021 on how they used their Provider Relief Funds (and whether they must return any), the following resources may be helpful:

- NACHC will be holding an Office Hours session on Friday July 30 from 2:00 – 3:00 ET on this topic, featuring both accountants and staff from HRSA's PRF division; [click here to register](#).
- Here is the [most recent HRSA guidance, published on June 11](#)
- Recording of the [free webinar about the latest PRF rules and reporting requirements](#) done by the accounting/ auditing firm Draffin-Tucker June 24. This webinar -- which was designed specifically for CHCs -- reflected the updates from HRSA's June 11 guidance.
- Here is the [Reporting Portal](#) where CHCs should submit their reports.
- HRSA has designed [worksheets to assist providers](#) in preparing to enter info in the Reporting Portal. (The link is at the bottom of the page.)
- User guides, Frequently Asked Questions, and a Provider Support Line are available on the HHS [Reporting and Auditing webpage](#).
- HRSA has issued a FAQ clarifying that CHCs must fully expend all supplemental COVID funding received from BPHC before allocating costs to the Provider Relief Fund. See page 17 [here](#).
