

Resources to assist CHCs in complying with OSHA standards for protecting workers from COVID

Last updated 8/6/21

- OSHA's official [COVID Emergency Temporary Standard \(ETS\)](#)
- A [Template for developing an OSHA COVID Compliance Plan](#), prepared by OSHA, that health care providers can use when developing or assessing their plan for compliance
- [OSHA COVID-19 ETS Fact Sheet](#)
- [June 25 webinar by OSHA](#)
- [Flowchart: 'Is your workplace covered by the COVID-19 Healthcare ETS?'](#)
- **NEW:** [Slides from 8/5 NACHC webinar on OSHA standard](#)
- **NEW:** [NACHC list of resources on OSHA standard](#)

Any CHCs who are still uncertain about whether the OSHA standard applies to them should feel free to contact Colleen Meiman at colleen@fachc.org for further information.
