## CHAMPS 2018 Region VIII Health Center Clinical Staffing Report and Provider Productivity Expectations Report

The **2018 Region VIII Health Center Clinical Staffing Report** and the **2018 Region VIII Health Center Provider Productivity Expectations Report** utilize data submitted during the CHAMPS Region VIII Health Center Salary Survey project to develop staffing ratios for medical, behavioral health, dental, and additional selected administrative and care team employees, and to present health center expectations for full-time hours, administrative vs. patient contact time, hourly visits, and standard patient panel sizes for full-time medical, dental, and behavioral health providers. CHAMPS intends this information to be utilized in conjunction with other available data to inform discussions about productivity, staffing ratios, adjustments to care teams, etc.

CHAMPS Organizational Members have access to the staffing and productivity expectations reports within the Members Only section of the CHAMPS website; see below for more details. Non-member organizations that submitted data for the project also received one free copy of each report. Non-profit non-member organizations are welcome to purchase **electronic versions** of these reports (hard copies are not available) by completing this order form and returning it with payment to CHAMPS.

*The information provided in these reports is for use solely by your organization. Any distribution of this information outside of your organization is prohibited. Any other entity or health center that would like copies may order one from CHAMPS by contacting the CHAMPS Administrative Assistant (details below).*

Date \_\_\_\_\_  
Name and Title \_\_\_\_\_  
Organization \_\_\_\_\_  
Mailing Address \_\_\_\_\_  
City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_
