Exceptional Clinical Leadership Award Lynelle Huseby, RN, BSN, Director of Clinical Services Family HealthCare, ND

Lynelle Huseby has been an integral part of Family HealthCare for over 25 years, serving in a variety of nursing and leadership roles.

In her current role as Director of Clinical Services, she plays a vital part in both the day-to-day operations and long-term success of Family HealthCare's clinical teams, supporting the nursing, medical, and laboratory departments. Her ability to anticipate needs and proactively address them helps the clinic run smoothly and efficiently. While much of her work happens behind the scenes, her contributions are essential to the organization's success. These include optimizing the electronic medical records system, updating policies, managing schedules, approving timesheets, coordinating with vendors, and supporting department managers.

Lynelle exemplifies what it means to be a collaborative leader. She works seamlessly across departments and with all levels of leadership, always ready to step in where needed and bridge operational gaps. Her approach to problem-solving and calm, supportive presence have earned her the trust and respect of colleagues throughout the organization.

What truly sets Lynelle apart is her deep commitment to the mission of Family HealthCare. She is passionate about improving the lives of the patients served and supporting the teams who care for them. Her longevity and lasting impact speak volumes about her character and leadership.

Family HealthCare simply would not be the same without her.

We are pleased to present Lynelle Huseby with the CHAMPS Exceptional Clinical Leadership Award in recognition of her devotion to Family HealthCare's mission, patients, and care teams.
