CHAMPS 2022 Region VIII Health Center

Salary Survey Companion Reports: Clinical Staffing, Provider Productivity Expectations, and Workforce Metrics

The **2022 Region VIII Health Center Clinical Staffing Report**, **2022 Region VIII Health Center Provider Productivity Expectations Report**, and **2022 Region VIII Health Center Workforce Metrics Report** were developed utilizing data submitted during the 2022 CHAMPS Region VIII Health Center Salary Survey Project. CHAMPS intends this information to be utilized in conjunction with other available data to inform discussions about productivity, staffing ratios, adjustments to care teams, recruitment and retention trends, etc. For more information about each publication, please visit:

CHAMPS Organizational Members have access to these companion reports within the Members Only section of the CHAMPS website; see below for more details. Non-member organizations that submitted data for the project also received one free electronic copy of each report. Nonprofit non-member organizations are welcome to purchase **electronic versions** of these reports (hard copies are not available) by completing this order form and returning it with payment to CHAMPS.

The information provided in these reports is for use solely by your organization. Any distribution of this information outside of your organization is prohibited. Any other entity or health center that would like copies may order one from CHAMPS by contacting the CHAMPS Programs Coordinator, Health Center Workforce (details below).
